**Commissioner for Patents**

The advisory action mailed on May 26, 2005 is hereby being vacated. The advisory action should not have been sent out because the applicant has not yet received a final rejection. When applicant's amendment was filed on May 9, 2005, it was improperly entered into the application as a response after final rejection. The amendment will be properly entered and treated as a response after a NON-final office action. After the amendment is properly entered, an office action will be issued.
